

Instructors will schedule all Student Pilot's Aircraft.

1. Go to ramaviation.com
2. Aircraft Rentals
3. Click Schedule Aircraft
4. First Time User:

Create an Account: Fill out the information and RAM will approve you as a user.

5. To Schedule – Log in and select month on the top.

On the left select aircraft to schedule, select day and time.

- Minimum 12 hour booking/rental prior to flight is required.
- Non-Instructional flights or rentals may use the online scheduler.
- All Instructional flights are booked by RAM Instructors.
